The data herein is evolving as DMHC and RBO staff work together to ensure correct filings.

Y The RBO has an approved sponsoring organization guarantee. Not included in the calculation.

Z RBO reported they met criteria

RBO has long-term securities which are highly liquid. The securities are converted to current assets when calculating the met/not met requirements. However, they are not used when calculating the 'relative' requirements.

** Region is based on the address on file.

Information reported as of 5/30/2006
