Qualified Dental and Health Plan Products Offered on Covered California

For Qualified Health Plans (QHPs) and Qualified Dental Plans (QDPs) licensed pursuant to the Act, the Department has primary responsibility for regulatory review and preliminary recommendations with respect to certain selection criteria identified by the Exchange in evaluation of whether an applicant is in “good standing.” All licensure, regulatory and product requirements of the Act and Rules apply to QHPs and QDPs offered through the Exchange.

QHPs, QDPs, or prospective applicants should review the Checklists and attachments provided for regulatory requirements, deadlines, and filing expectations. Product(s) Offered Off of Covered California

For health plans offering non-grandfathered Individual and Small Group product(s) off of Covered California (outside of the Exchange), product(s) and/or benefit plan designs amended for the 2026 Plan Year must have Department approval of necessary filings, including, but not limited to, licensure, networks, product, benefit plan design, and rate filings.
