DMHC Financial Solvency Standards Board Member Job Description

DEPARTMENT OBJECTIVE:

The mission of the California Department of Managed Health Care (DMHC) is to ensure health plan members have access to equitable, high quality, timely, and affordable health care within a stable health care delivery system. The DMHC accomplishes its mission by regulating health plans, enforcing California's strong consumer protection laws and assisting health plan members. The Department protects the health care rights of more than 30.2 million Californians.

BOARD OBJECTIVE:

The purpose of the Financial Solvency Standards Board (FSSB or Board) is to advise the Director on matters of financial solvency that affect the delivery of health care services, and to develop and recommend financial solvency requirements and standards relating to plan operations, plan-affiliate operations and transactions, plan-provider contractual relationships, and provider-affiliate operations and transactions. Additionally, the Board periodically monitors and reports on the implementation and results of the financial solvency requirements and standards, and reviews proposed regulation changes.

GENERAL DESCRIPTION:

Health and Safety Code (HSC) Section 1347.15 of the Knox-Keene Act establishes the FSSB. The Board is composed of 11 members. The 11 members include the Director of the DMHC, or the Director's designee, and 10 persons who are appointed by the Director. The FSSB meets quarterly to review issues of financial solvency affecting the delivery of health care services and to develop and recommend financial solvency requirements and standards.

JOB DESCRIPTION:

Board members are expected to review all materials in advance of the Board meetings in order to actively participate in discussions and provide meaningful contributions to advise the Director on matters of financial solvency affecting the delivery of health care services. In addition, Board members will participate in the development of recommendations to the Director on financial solvency requirements, standards and regulations, and periodically monitor the implementation and results of the financial solvency requirements. The Board acts as an advisor to the Director and does not have direct decision-making authority.

KNOWLEDGE AND ABILITY REQUIREMENTS:

Members will include health care consumer advocates and individuals with training and experience in subject areas or fields such as medical and health care economics, accountancy, actuarial studies, investment banking, management and administration in integrated and affiliated health care delivery systems, and large group health insurance purchasing.

MEETING FREQUENCY

The Board meets quarterly and may meet at the call of the Board Chair. Members are expected to maintain consistent and regular attendance at Board meetings.

COMPENSATION:

Board members serve without compensation, but are reimbursed for travel expenses to and from the Board meetings.

TERM LENGTH:

The members are appointed by the Director for a term of three years.

ADDITIONAL REQUIREMENTS:

Board meetings are subject to the requirements of the Bagley-Keene Open Meeting Act (BKA). Meetings must be preceded by a publicly distributed Notice and Agenda.

Pursuant to current BKA, FSSB members may attend the meetings by telephone or other electronic means identified in the Agenda, so long as the members appear on camera during the open portion of a meeting that is publicly accessible via the internet or other online platform. Lastly, substantive discussions of matters being considered by the Board may occur only during a public meeting, including discussions regarding materials distributed in advance of a meeting.
