Please note, that this checklist and worksheet are not intended to be all-inclusive and represent only those issues, at a minimum, that are required to be addressed by a health plan for purposes of compliance with the Knox-Keene Act and Rules in relation to proposing a QHP and that additional information may be requested by the Department within the course of reviewing a plan filing. Please contact your assigned licensing counsel for questions.

**2018 CHECKLIST and WORKSHEET
FOR QUALIFIED HEALTH PLANS IN THE
CALIFORNIA HEALTH BENEFIT EXCHANGE**

The Department of Managed Health Care (DMHC) offers the following information to assist Individual and Covered California for Small Business (CCSB) Qualified Health Plans (QHP) filings for the Plan Year 2018, for compliance with the Knox-Keene Act at California Health and Safety Code Sections 1340 et seq. (the Act). References herein to “Section” are to Sections of the Act. References to “Rule” are to the regulations promulgated by the DMHC at California Code of Regulations, title 28.

This checklist and worksheet are not intended to be all-inclusive and represent only what issues, at a minimum, are required to be addressed by a health plan for compliance with the Act and Rules. Additional information as needed may be requested by the DMHC within the course of review of a health plan filing. For health plans licensed pursuant to the Act, the DMHC has primary responsibility for regulatory review and preliminary recommendations with respect to certain selection criteria identified by the California Health Benefit Exchange (Exchange) in evaluation of whether an applicant is in “good standing.” All licensure, regulatory and product requirements of the Act and Rules apply to QHPs offered through the Exchange.

Plan-to-Plan contracts, where the specialized health plan is at risk, should be filed as an Exhibit P-5. Plan-to-Plan contracts, where the specialized health plan is not at risk (i.e. rental of network), should be filed as an Exhibit N-1.
- Full service health plans should include the filing number for the specialized health plan’s mirrored filing. In addition, the full service health plan should ensure that the plan-to plan contract specifies which health plan will be performing Utilization Management, and Grievance and Appeals functions. Please ensure that this information is set forth in the plan-to-plan contract. See 2018 CHECKLIST FOR QUALIFIED DENTAL PLANS IN THE CALIFORNIA HEALTH BENEFIT EXCHANGE which encompasses dental plans contracting directly with a) Covered California and b) QHPs.
- Specialized health plans that contract to provide EHB may also need to submit Evidence of Coverages, disclosure forms, and provider network information on behalf of the full service health plan. A network filing proposing a service area expansion or withdrawal must be submitted as a material modification to the health plan's license in the e-File system. Health plans are strongly encouraged to contact the DMHC and schedule a pre-filing conference before filing a service area expansion or withdrawal. Any service area expansions or withdrawals for the 2018 benefit year must be filed as soon as practicable, but no later than March 1, 2017. Please be sure to include the following exhibits with your filing:

- Under certain circumstances, a health plan may be required to file an amendment to its license identifying a major network change. (See Rule 1300.52, subd. (f), Section 1367.27, subd. (r).) If the health plan has determined that its QHP network meets those circumstances, please submit an amendment to the health plan's license in the e-File system no later than June 1, 2017. On or about April 2017, the DMHC will make available a new template for the purpose of filing provider network information pursuant to Rule 1300.52, subd. (f) and Section 1367.27, subd. (r). Please visit the "Downloads" section of the e-File webportal to locate and utilize the new template.

 - A statement within the Exhibit E-1 identifying the plan with which the QHP intends to contract.
 - In some cases, Exhibits I-1, I-2, and/or I-3, as applicable, and Exhibit H-1. These need only be filed if the change in subcontracting plan will result in a significant change to the QHP's network, as described in Rule 1300.52, subd. (f) and Section 1367.27, subd. (r).

QHP SUBCONTRACTOR WORKSHEET

INSTRUCTIONS

- Complete and file the QHP SUBCONTRACTOR WORKSHEET as Exhibit E-1.
- Network Arrangement: Select "Direct Contract" where the Plan directly contracts with providers and/or medical groups for the provision of services indicated. Select "Subcontract" where the Plan arranges for the delivery of services indicated through a plan-to-plan agreement, administrative services agreement, or other type of agreement. If the Plan selects "Direct Contract" it is not necessary to complete the remaining columns with respect to that service.

- Risk Types are defined as follows:

KKK Risk: An agreement where a full service health plan ("FSHP") contracts with a specialized health plan ("SHP") for the provision of specific health care services, and where the SHP assumes full financial risk on a capitated basis for the delivery of delegated services. Such agreements should be filed as Exhibit P-5.

KKK Lease: An agreement between a FSHP and a SHP where the FSHP utilizes the SHP's provider network for the provision of specific health care services, and for which the FSHP retains full financial risk for the delivery of health care services (i.e. no capitation). Such contracts should be filed as Exhibit N-1. Please note, a FSHP licensed to offer EPO products may desire to enter into an agreement with a SHP for the delivery of health care services under an EPO product. If the SHP is not licensed to offer an EPO product, the parties may enter into an agreement whereby the SHP provides access to its network of providers.

NON KKK: An agreement between a FSHP and a non-licensed entity where the FSHP utilized the entity's provider network for the provision of specific health care service, and for which the FSHP retains full financial risk for the delivery for health care services (i.e. no capitation). Such contracts should be filed as Exhibit N-1.

QHP DMHC FILING WORKSHEET

INSTRUCTIONS

- ❑ Complete and file both a narrative description (see Checklist) and attached QHP DMHC Filing Worksheet(s) as Exhibit E-1.
- ❑ Ensure that the description corresponds to the plan summary provided in the QHP DMHC Filing Worksheet. Please indicate what plan compliance changes are attached. Plans submitting multiple Worksheets (e.g., by region or market segment) should further subdivide the Exhibit E-1 narrative to correspond with the compliance details for each Worksheet submitted.
- ❑ Plans with multiple small group, individual, and region QHPs should complete separate Worksheets for each market segment and region as necessary to record the DMHC filing status of each QHP proposed. For example, a plan that proposes individual and small group contracts, and variations by region of product type, market segment, or benefit design, might organize its Worksheets as follows:
 - ✓ Worksheet #1 of 4: Individual plan contracts for Regions 1, 2 and 3. On this Worksheet, the plan might indicate what license amendments/material modifications are proposed in the attached exhibits, and indicate which QHP certification elements apply from those listed in the “Category” column. Where no change is proposed in a Category, plan should affirmatively answer “no change from prior approval.”
 - ✓ Worksheet #2 of 4: Small Group contracts for Region 4. On this Worksheet, the plan might indicate what license amendments/material modifications are proposed in the attached exhibits, indicate which QHP certification elements apply from those listed in the “Category” column, and whether any components of the change(s) were previously approved, noting previous eFiling number(s).
 - ✓ Worksheet #3 of 4: Individual PPO plan contracts in Regions 5 - 15. On this Worksheet, the plan might indicate changes in the Network Category, no changes to any other category except Benefit Design where plan indicates that it is “Pending with plan, to be addressed in future filing on or about June 2018.”
 - ✓ Worksheet #4 of 4: Individual HMO plan contracts in Regions 5 - 15. On this Worksheet, the plan might indicate changes in the Network Category, no changes to any other category except Benefit Design (open filing) where plan indicates that it is “Pending with plan, response to be filed on or about June 2018.”
- ❑ If the plan has the same revisions for multiple documents under the same exhibit, it may file a sample template by listing the exhibit name on the Worksheet and in the Exhibit E-1 narrative description, include a representation that it has filed a sample, and that the same revisions shall be made to all other applicable plan documents per market segments and product types.

**2018 CHECKLIST and ATTACHMENT
FOR QUALIFIED DENTAL PLANS IN THE
CALIFORNIA HEALTH BENEFIT EXCHANGE**

In anticipation of Qualified Dental Plans (“QDP”) filings in relation to the Qualified Dental Plan Certification Application for Plan Year 2018, for Individual, Covered California for Small Business (“CCSB”) and Employer Sponsored Group Products issued by the California Health Benefit Exchange (“Exchange” or “Covered California”), the Department of Managed Health Care (“Department”) offers the following checklist with some helpful hints to expedite approval based on the last couple of years of working with Covered California and QDP filings. The checklist takes into account the Knox-Keene Act (“Act” or “Sections”) and implementing regulations at California Health & Safety Code Sections 1351 and 1352, and California Code of Regulations (“Rules”) Section 1300.51 and 1300.52.

*This checklist is not intended to be all-inclusive. Additional information, as needed, may be requested by the Department within the course of review. The information gathered here is based on lessons learned from previous filing years. This checklist applies to both dental plans that contract directly with Covered California and embedded dental plans that contract with Full Service Qualified Health Plans (“QHP”) which contract with Covered California. **Information specific to only standalone or embedded filings is noted in brackets throughout the checklist.***

This checklist is provided to the plan’s e-Filing designated contact. If the plan would like its Covered California contact to be someone else, please contact the the plan’s assigned attorney in the Office of Plan Licensing (“OPL”) as soon as possible.

I. Filing Timeframes

Prior to certification, plans must have regulatory approval of necessary filings including, but not limited to, networks and products.

V. Helpful Hints based on the Department’s Review of Plan Year 2017

- a. **Naming Convention:** Please refer back to Covered California and adhere to Covered California’s naming convention for on-exchange plans and off-exchange mirror products pursuant to Government Code Section 100503(f).
- b. **Types of Filings:** To ensure that one filing does not hold up another filing, please file the following separate from the QDP Filing: 1) **[Only Embedded Filings]** embedded contractual relationship (i.e. plan-to-plan Arrangements, Leased Network Administrative Service Agreements) and 2) any network changes. See Network Section.

¹ For additional information regarding QHP filing requirements, please request the 2018 Qualified Health Plan Filing Checklist from the Plan’s assigned attorney in OPL.

² In the event that the QDP is revising its products such that the revisions result in a new “product,” please submit such product revision as a Material Modification.

c. **Benchmark Plan**

- i. Note that 2015 Senate Bill 43 (Hernandez) modified Section 1367.005(a)(5). The Benchmark Plan has changed from 2011-2012 Healthy Families Program to 2014 Medi-Cal Dental Program.
- ii. Please note, the *new* Benchmark Plan (based on the 2014 Medi-Cal Program) uses *outdated* CDT codes. However, Covered California's Standard Benefit Design (SBD) reflects the most recent CDT codes. Thus, please utilize the SBD provided by Covered California for plan year 2018.
- iii. If you need a copy of the Benchmark Plan, please reach out to your OPL assigned attorney as soon as possible.

 - 1. The Department will accept a general affirmation from the plan (versus an affirmation per CDT code or per limitation or per endnote).
 - 2. If the Department identifies additional revisions needed to the plan's a) CDT codes, b) limitations and exclusions and/or c) endnotes, during the course of the Department's review, the plan may need to provide a specific affirmation per a) CDT code, b) limitation and exclusion, and/or c) endnote.
 - iii. The affirmation should make it clear that the plan's description of benefits and cost share have an identical or better effect for the enrollee than the Benchmark Plan.
 - iv. **[Only Embedded Filings]** Only one EOC and one SOB for each filing type (i.e. HMO, PPO, and/or EPO) that is an SBD are required to be filed for embedded filings. If SBD, include an affirmation that the filed EOC and SOB will apply to all metal levels. If filed as an alternative, file all alternatives.
- m. **Confidentiality:** Note whether the plan will be applying for confidential treatment of any exhibits. If applicable, file a Request for Confidentiality and comply with Rule 1007.

VII. **Product Design Exhibits: Exhibits S, T, U⁴:**

a. General Instructions for ***Embedded Filings***:

i. If plan's SBD dental benefits (EOC, CDT Codes, limitations and exclusions, SOB, and endnotes) are filed in a separate addendum from the contracted QHP, file only one addendum for each filing type (i.e. HMO, PPO, and/or EPO). Include an affirmation that the filed EOC will apply to all metal levels. See Affirmation Section in Section Exhibit E-1.

1. For example, if the plan has six HMO products and three PPO products, the plan will only need to file two EOCs. The two filed will be: a) one for the HMO products and b) one for the PPO products.

ii. If plan's SBD dental benefits (EOC, CDT Codes, limitations and exclusions, SOB, and endnotes) are filed within a QHP's EOC (not a separate addendum), file an affirmation in the plan's QDP Exhibit E-1, stating that the dental benefits (EOC, limitations and exclusions, SOB, and endnotes) are identical across all metal levels for each filing type (HMO, PPO, EPO). See Affirmation Section in Section Exhibit E-1.

1. If the plan's SBD dental benefits (EOC, CDT Codes, limitations and exclusions, SOB, and endnotes) are not identical across all metal levels per product, please contact your assigned OPL attorney.

iii. If the QDP SBD dental benefits are embedded in a QHP in two markets (Individual Family, CSSB Family or CSSB Child-Only, Employer Sponsored, cost-sharing variation for eligible members AI/AN), file an affirmation for both markets. See Affirmation Section in Section Exhibit E-1.

iv. If the dental benefits (EOC, CDT codes, limitations and exclusions, SOB, and endnotes) are not SBD, but rather an alternative benefit design, please contact your assigned OPL attorney.

b. **Exhibit S, Exhibit T:** (individual and group health care service plan contracts) These exhibits may be required to be filed or revised. The plan is not required to file these exhibits unless changes have been made to the previously approved documents utilized by the plan for its Covered California filings. Please provide the filing number of previously approved contracts.

- c. **Exhibit U: (EOC)** All QDPs must comply with Covered California's SBDs, alternative benefit designs and Covered California's naming convention pursuant to Government Code Section 100503(f) (if applicable). New and revised product designs must be filed (e.g., cost-sharing, EOCs, etc.).

i. **Schedule of Benefits (SOB)**

1. **Copayment:** For efficiency and review of the Copay SOB, the Department recommends the plan follow the same order and text of CDT codes as listed in the 2018 Covered California Dental SBD.
2. **Coinsurance:** Plans are not required to follow the list of CDT codes with associated text. However, following the CDT list and text, and inserting the plan's coinsurance amounts will expedite review.
3. **CDT codes:** The Benchmark Plan does not reflect the most current CDT codes used in practice. If the plan is utilizing current CDT codes, note any deviations from the Benchmark Plan. Identify the deviation by each specific CDT code.

ii. **Limitations and Exclusions:** Please ensure that the QDP's limitations and exclusions mirror the Benchmark Plan.

1. If plan's limitations and exclusions deviate from the Benchmark Plan, to ensure compliance with the Act, the plan must **affirm** the limitations and exclusions have an identical or better effect upon the enrollee's coverage than the Benchmark Plan. See Affirmation Section in Section Exhibit E-1.
2. The format in the Benchmark Plan lists the limitation and exclusions by CDT codes.
 - a. For each limitation and exclusion, be sure to include the corresponding CDT code.

- b. Many plans have chosen to add the limitation and exclusions to the copay schedule by developing a chart. See Attachment.
 - c. If the plan chooses not to utilize a limitation and exclusion chart, but instead lists the limitations and exclusions in another format, the plan will still need to include the corresponding CDT codes for Departmental review.
 - d. If the plan wishes to not include the CDT codes in its published documents, include the corresponding CDT code in parentheses or brackets for Departmental review.
- iii. **Endnotes:** Incorporate the endnotes provided by Covered California into the plan's SOB.
- 1. In order to be in compliance with the Act, the plan must **affirm** that the plan's endnotes are identical or a better effect for enrollee's coverage as Covered California's endnotes. See Affirmation Section in Section Exhibit E-1.
- iv. **[Only Embedded Filings]** File a separate SOB with \$0 cost share for AI/AN benefits for eligible enrollees whose income is less than 300% of the Federal Poverty Level.
