ALL PLAN LETTER

Date: March 26, 2020

To: All Health Care Service Plans

From: Pritika Dutt, Deputy Director
Office of Financial Review

SUBJECT: APL 20-011 (OFR) – 2020 ANNUAL ASSESSMENT LETTER

Please file on or before May 15, 2020, the *Report of Enrollment Plan*, as required by Health and Safety Code section 1356 and the California Code of Regulations, title 28, section 1300.84.6(a). The *Report of Enrollment Plan* is an online form to be filed electronically, via the [Department's eFiling web portal](#). This form is used to calculate the annual assessment for each health plan.

Once in the Department's eFiling portal, select *Online Forms*. From the drop-down menu, select *Annual Enrollment Report*, and then complete and submit the report. For questions or problems related to the electronic filing of the report or pertaining to the number of enrollees to be reported, please contact Vijon Morales at (916) 255-2447 or via electronic mail at Vijon.Morales@dmhc.ca.gov.

Please be aware that Health and Safety Code section 1356, subdivision (f) provides that no refunds or reductions of the amount assessed shall be allowed if any miscalculated assessment is based on a health plan's overestimate of enrollment.

Please note that the enrollment numbers reported in the *Report of Enrollment Plan* will be compared with the health plan's enrollment numbers included in Report #4: Enrollment and Utilization Table, filed with the March 31, 2020 quarterly financial statements. Therefore, the March 31, 2020 financial statements must be filed with the Department prior to the filing of the *Report of Enrollment Plan*. Please coordinate the submission of the *Report of Enrollment Plan* with the individual at the health plan who is responsible for submitting the March 31, 2020 financial statements.

Enhancements have been made to the online form to assist health plans that have to report Quality Improvement Fee (QIF), Administrative Services Only (ASO), or out-of-state enrollment for financial reporting purposes that create a discrepancy regarding the enrollment numbers provided on the *Report of Enrollment Plan*. If there is a discrepancy between the enrollment numbers reported in the *Report of Enrollment Plan* and Report #4: Enrollment and Utilization Table, the health plan will need to provide an explanation in the designated area on the form. This will alleviate the health plan having to file an additional document that explains the reasons for the discrepancy in enrollment reported. Again, please take care to accurately report your enrollment because there can be no refunds issued, pursuant to Health and Safety Code section 1356, subdivision (f).

For questions pertaining to this APL, including questions regarding how to calculate the health plan's assessments and regarding enhancements, please contact Vijon Morales at (916) 255-2447 or via electronic mail at Vijon.Morales@dmhc.ca.gov.
