Requirement UM-001: UM Program Policies and Procedures	1
Requirement UM-002: UM Decision Making and Time Frames	3
Requirement UM-003: UM Criteria Development	5
Requirement UM-004: Communication Requirements for UM Decisions	6
Requirement UM-005: Disclosure of UM Process to Authorize or Deny Services	8
Requirement UM-006: UM Processes as Part of the QA Program	10
Statutory/Regulatory Citations	12

VISION TAG

Requirement UM-001: UM Program Policies and Procedures

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- Optometric Director and/or senior optometrist or ophthalmologist responsible for utilization management
- Utilization Management Director

DOCUMENTS TO BE REVIEWED

- UM policies and procedures, including org charts and committee descriptions (A UM Program Description may be substituted or in addition to policies and procedures)
- Job description of the Optometric Director responsible for ensuring the UM process complies with section 1367.01
- Copy of licenses of the Optometric Director/s
- UM Committee minutes
- Review licensing filing of the Plan's UM Program and confirm submission of appropriate policies and procedures

UM-001 - Key Element 1:

1. **The Plan has utilization management policies and procedures.
CA Health and Safety Code section 1367.01(b).**

Assessment Questions
1.1 Do policies and procedures describe the process by which the Plan reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers of optometry services for Plan enrollees?
1.2 Do policies and procedures include utilization review processes such as prospective review, concurrent review, and retrospective review?

UM-001 - Key Element 2:

2. **A designated Medical Director is responsible for the oversight of the UM process and holds an unrestricted license to practice medicine in California.
CA Health and Safety Code section 1367.01(c).**

Assessment Questions
2.1 Is a licensed optometrist designated to provide clinical direction to the UM Program and ensure compliance with the requirements of 1367.01?
2.2 Does the designated individual hold a current unrestricted license to practice optometry in California?
2.3 Is there evidence that the individual is substantially involved in UM Program operations through significant time devoted to UM activities, clinical oversight and guidance to UM staff?

VISION TAG

2.4 Is there evidence that the individual is substantially involved in UM Program operations through active involvement in UM Committee and subcommittees?
--

UM-001 - Key Element 3:

- 3. The Plan ensures telephone access for providers to request authorizations for health care services.
CA Health and Safety Code section 1367.01(i).**

Assessment Questions

- | |
|---|
| 3.1 Does the Plan have policies and procedures that describe and ensure telephone access for requesting authorizations for vision services? |
| 3.2 Does the Plan maintain telephone access for providers to request authorizations for vision services? |

End of Requirement UM-001: UM Program Policies and Procedures

VISION TAG

Requirement UM-002: UM Decision Making and Time Frames

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- UM Director / Managers
- Optometric Director and/or senior Physician responsible for UM

DOCUMENTS TO BE REVIEWED

- UM policies and procedures, including UM decision timeframe requirements
- Organization charts, committee descriptions and key staff job descriptions of staff involved in UM review
- Sample of UM denial files to be reviewed onsite

UM-002 - Key Element 1:

1. The Plan has written policies and procedures for review and approval, modification, delay or denial of services (medical necessity denials) and ensures they are consistently applied.
CA Health and Safety Code section 1367.01(e) and (g).

Assessment Questions	
1.1	Does the Plan have policies and procedures to ensure that only licensed health care professionals (competent to evaluate clinical issues related to requested health care services) make decisions to deny or modify requested services on the basis of medical necessity?
1.2	Do the Plan's denial files validate that only licensed health care professionals (competent to evaluate clinical issues related to requested health care services) make decisions to deny or modify requested services on the basis of medical necessity?

UM-002 - Key Element 2:

2. The Plan has established and implemented written policies and procedures regarding the timeliness of UM Decisions and ensures they are consistently applied.
CA Health and Safety Code sections 1367.01(h)(1) and (2).

Assessment Questions	
2.1	Does the Plan make decisions to approve, modify, or deny requests by providers in a timely fashion, <u>not to exceed five business days</u> after the Plan's receipt of the information reasonably necessary to make the determination? (This applies to requests prior to, or concurrent with the provision of health care services to enrollees.)

VISION TAG

2.2	For urgent referrals and requests for other health care services, does the Plan make the decision to approve, modify, or deny requests by providers in a timely fashion, not to exceed 72 hours after the Plan's receipt of the information reasonably necessary and requested by the Plan to make the determination? (This applies to requests prior to, or concurrent with the provision of health care services to enrollees.)
2.3	Does the Plan communicate utilization review decisions to approve, deny, delay, or modify health care services to requesting providers initially by telephone, facsimile or electronic mail and then in writing within 24 hours of making the decision?
2.4	Does the Plan communicate UM decisions to approve, deny, delay, or modify health care services to enrollees in writing within 2 business days?
2.5	Does the Plan request information from the provider that is reasonably necessary to make a medical necessity decision in a timely fashion (appropriate for the nature of the enrollee's condition)?
2.6	Upon receipt of the requested information, does the Plan make decisions to approve, modify, or deny the request within the required timeframe?
2.7	For retrospective reviews, does the Plan make the decision to approve or deny the previous provision of health care services to enrollees, and communicate that decision within 30 days after the Plan's receipt of the information reasonably necessary and requested by the Plan to make the determination?

End of Requirement UM-002: UM Decision Making and Time Frames

VISION TAG

Requirement UM-003: UM Criteria Development

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- UM Director
- Optometric Director or designee

DOCUMENTS TO BE REVIEWED

- UM policies and procedures and/or Program document outlining development and approval of UM criteria
- UM Committee minutes
- Signature page for UM Program/plan/policies and procedures

UM-003 - Key Element 1:

1. The Plan develops UM criteria consistent with acceptable standards and evaluates them annually.
CA Health and Safety Code section 1363.5(b); CA Health and Safety Code section 1367.01(f).

Assessment Questions	
1.1	Does the Plan utilize criteria/guidelines when determining the medical necessity of requested health care services?
1.2	Are criteria/guidelines (for medically necessary contact lenses) <u>consistent</u> with accepted <u>standards of practice</u> ?
1.3	Are criteria/guidelines (for medically necessary contact lenses) <u>developed</u> with <u>involvement</u> from actively practicing health care providers?
1.4	Are criteria/guidelines (for medically necessary contact lenses) <u>evaluated</u> at least annually and updated, as necessary?
1.5	Are the procedures, process, and/or the criteria used in making clinical necessity decisions <u>clearly described</u> in UM policies and procedures?
1.6	Are the procedures, process, and/or the criteria used in making clinical necessity decisions <u>disseminated</u> to all UM decision-makers?
1.7	Is there supporting documentation to confirm the criteria/guidelines are consistent with accepted standards of practice? (For example, documented approval via minutes from Physician discussions; criteria/guidelines have been adopted by reputable physician organizations; criteria/guidelines consistent with national standards from federal agencies.)

End of Requirement UM-003: Criteria Development

VISION TAG

Requirement UM-004: Communication Requirements for UM Decisions

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- UM Director
- Optometric Director and/or senior Physician responsible for UM decisions

DOCUMENTS TO BE REVIEWED

- UM policies and procedures, including UM decision communication requirements
- Sample of denial files to be reviewed onsite
- Sample of extension letters (when the Plan cannot make a decision within the required timeframe)

UM-004 - Key Element 1:

1. The Plan has established and implemented guidelines for UM-related communications to providers and enrollees (including content, form, and timeframes).

CA Health and Safety Code section 1363.5(b)(4); CA Health and Safety Code section 1367.01(d), (h)(1) and (4); CA Health and Safety Code section 1374.30(i).

Assessment Questions	
1.1	Are denials or modifications of health care services based on medical necessity only made by qualified licensed optometrists?
1.2	For retrospective UM decisions, does the Plan communicate denials or modifications of health care services to providers in writing?
1.3	Do communications regarding decisions to approve requests by providers specify the specific health care service approved?
1.4	Do the Plan's denial letters provide a <u>clear and concise explanation</u> of the reasons for the Plan's decision to deny, delay, or modify health care services?
1.5	Do the Plan's denial letters specify a <u>description of the criteria</u> or guidelines used for the Plan's decision to deny, delay, or modify health care services?
1.6	Do the Plan's denial letters specify the <u>clinical reasons</u> for the Plan's decision to deny, delay, or modify health care services?
1.7	Do written communications to a Physician or other health care provider of a denial, delay, or modification of a request include the following information: the <u>name of the health care professional</u> responsible for the denial, delay, or modification?

VISION TAG

1.8	Do written communications to a Physician or other health care provider of a denial, delay, or modification of a request include the following information: <u>the direct telephone number</u> or an extension of the healthcare professional responsible for the denial, delay, or modification to allow the requesting physician or health care provider to easily contact them?
1.9	Do written communications to an enrollee of a denial, delay, or modification of a request include information as to how he / she may <u>file a grievance</u> to the Plan?
1.10	Do written communications to an enrollee of a denial, delay, or modification of a request include information as to how he / she may <u>request an independent medical review</u> in cases where the enrollee believes that health care services have been improperly denied, modified, or delayed by the Plan, or by one of its contracting providers?

UM-004 - Key Element 2:

- 2. The Plan has established and implemented guidelines for communicating to the enrollee and Physician if a UM decision will not be made within 5 business days.**

CA Health and Safety Code sections 1367.01(h)(1) and (5).

Assessment Questions	
2.1	Does the Plan have guidelines for communicating with the enrollee and provider if UM decisions do not meet the required timeframes?
2.2	If the Plan is unable to make a UM decision within the required timeframe, does the Plan notify the provider and enrollee of the anticipated decision date?

End of Requirement UM-004: Communications Requirements for UM Decisions

VISION TAG

Requirement UM-005: Disclosure of UM Process to Authorize or Deny Services

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- UM Director
- Optometric Director or designee
- Member Services staff
- Participating provider

DOCUMENTS TO BE REVIEWED

- Policies and procedures for disclosure of UM processes and criteria to providers, enrollees, and the public
- Policies and procedures for disclosure to the provider and enrollee of the specific UM criteria used in all decisions based on medical necessity to modify, delay, or deny care
- Review of disclosure documents including: Provider materials relating to disclosure, disclosures to provider groups and UM vendors, Enrollee materials relating to disclosure, Public materials relating to disclosure
- Template letter(s) with disclosure statement
- Review licensing filing of the Plan's UM Program to confirm submission

UM-005 - Key Element 1:

1. The Plan shall disclose to network providers, contractors and enrollees the process the Plan uses to authorize, modify, or deny health care services under the benefits provided by the Plan.
CA Health and Safety Code section 1363.5(a).

Assessment Questions	
1.1	Do Plan policies and procedures provide for the disclosure of the process the Plan uses to authorize, modify, or deny health care services?
1.2	Does the Plan disclose the UM process information to network providers?
1.3	Does the Plan demonstrate that it discloses UM processes to enrollees or persons designated by an enrollee, or to any other person or organization, upon request?
1.4	Does the Plan demonstrate that it discloses to the enrollee and provider the UM criteria used as a basis to modify, deny or delay services in specified cases under review?
1.5	Are UM Criteria available to the public upon request, which may include the availability through electronic communication means?

VISION TAG

- 1.6 Is disclosure of UM criteria to the public accompanied by the following notice:
“The materials provided to you are guidelines used by this plan to authorize, modify, or deny care for persons with similar illnesses or conditions. Specific care and treatment may vary depending on individual need and the benefits covered under your contract.”?

End of Requirement UM-005: Disclosure of UM Process to Authorize or Deny Services

VISION TAG

Requirement UM-006: UM Processes as Part of the QA Program

INDIVIDUAL(S)/POSITION(S) TO BE INTERVIEWED

Staff responsible for the activities described above, for example:

- UM Director
- QM Director
- Optometric Director

DOCUMENTS TO BE REVIEWED

- Policies and procedures for UM
- UM or QM Annual Work Plan
- UM or QM Committee minutes
- Trending reports
- Activity summaries
- Audit Reports
- Enrollee & Provider Satisfaction Surveys (UM-related questions and results)
- Corrective action plans
- Enrollee and Provider satisfaction survey questions related to UM
- Enrollee and Provider satisfaction survey results, last two years, if applicable

UM-006 - Key Element 1:

- 1. The Plan has established and implemented a QA process to assess and evaluate their compliance with UM requirements.
CA Health and Safety Code sections 1367.01(e), (h), and (j).**

Assessment Questions	
1.1	Does the Plan have a process in place to evaluate complaints and assess trends to identify potential quality issues in the UM process and regularly report this information to appropriate bodies?
1.2	Does the Plan have a process in place to monitor and assess compliance with timeliness of decision-making, timeliness of notification, and turnaround times for UM functions?
1.3	Has the Plan established and implemented policies and procedures to monitor and assess compliance with the use of appropriate licensed health care providers in making denial decisions and the appropriate use and application of criteria in making medical necessity decisions?
1.4	Has the Plan established and implemented policies and procedures to audit denial letters ensuring the required information is included, and communicated to the appropriate user, providers and/or enrollees?
1.5	Does the Plan systematically and routinely analyze its evaluation of the UM process to identify any potential quality issues in the UM process?

VISION TAG

1.6	Does the Plan develop, communicate, and implement corrective action plans when potential quality issues are identified in the UM process?
1.7	Does the Plan evaluate the effectiveness of any corrective action plan (using performance measures, for example) and make further recommendations to improve the UM process?
1.8	Does the Plan systemically and routinely analyze UM data to monitor for potential over- and under-utilization?

UM-006 - Key Element 2:

- 2. The scope of quality assurance monitoring includes assessment and evaluation of provider referral and specialist care patterns of practice. 28 CCR 1300.70(a)(1) and (b)(2)(G)(5).**

Assessment Questions	
2.1	Does the Plan's quality assurance/utilization review mechanism encompass provider referral and specialist care patterns of practice, including an assessment of timely access to specialists, and appropriate preventive health services based on reasonable standards established by the Plan and/or delegated providers?
2.2	Does the Plan have a process in place to routinely monitor and assess access to specialist care, and appropriate preventive health services?
2.3	Does the Plan analyze its evaluation of access to specialist care, ancillary support services, and appropriate preventive health services?
2.4	Does the Plan have a process to routinely monitor and assess access to specialist care, and appropriate preventive health services for any delegated providers?
2.5	Does the Plan identify, communicate, and implement corrective actions when potential access issues are identified in the UM process?
2.6	Does the Plan evaluate the effectiveness of any corrective actions (using performance measures, for example) and make further recommendations to improve potential access issues?

End of Requirement UM-006: UM Processes as Part of the QA Program

VISION TAG

Statutory/Regulatory Citations

CA Health and Safety Code section 1363.5

(a) A plan shall disclose or provide for the disclosure to the director and to network providers the process the plan, its contracting provider groups, or any entity with which the plan contracts for services that include utilization review or utilization management functions, uses to authorize, modify, or deny health care services under the benefits provided by the plan, including coverage for sub-acute care, transitional inpatient care, or care provided in skilled nursing facilities. A plan shall also disclose those processes to enrollees or persons designated by an enrollee, or to any other person or organization, upon request. The disclosure to the director shall include the policies, procedures, and the description of the process that are filed with the director pursuant to subdivision (b) of Section 1367.01.

(b) The criteria or guidelines used by plans, or any entities with which plans contract for services that include utilization review or utilization management functions, to determine whether to authorize, modify or deny health care services shall:

...

(4) If used as the basis of a decision to modify, delay, or deny services in a specified case under review, be disclosed to the provider and the enrollee in that specified case.

CA Health and Safety Code section 1367.01

(a) A health care service plan and any entity with which it contracts for services that include utilization review or utilization management functions, that prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, or that delegates these functions to medical groups or independent practice associations or to other contracting providers, shall comply with this section.

(b) A health care service plan that is subject to this section shall have written policies and procedures establishing the process by which the plan prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers of health care services for plan enrollees. These policies and procedures shall ensure that decisions based on the medical necessity of proposed health care services are consistent with criteria or guidelines that are supported by clinical principles and processes. These criteria and guidelines shall be developed pursuant to section 1363.5. These policies and procedures, and a description of the process by which the plan reviews and approves, modifies, delays or denies requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, shall be filed with the director for review and approval, and shall be disclosed by the plan to providers and enrollees upon request, and by the plan to the public upon request.

(c) A health care service plan subject to Section 1367.01, shall employ or designate a medical director who holds an unrestricted license to practice medicine in this state issued pursuant Section 2050 of the Business and Professions Code or pursuant to Osteopathic Act, or if the plan is a specialized health care service plan, a clinical

VISION TAG

director with California licensure in a clinical area appropriate to the type of care provided by the specialized health care service plan. The medical director or clinical director shall ensure that the process by which the plan reviews and approves, modifies, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, complies with the requirements of this section.

(e) No individual, other than a licensed physician or a licensed health care professional who is competent to evaluate the specific clinical issues involved in the health care services requested by the provider, may deny or modify requests for authorization of health care services for an enrollee for reasons of medical necessity. The decision of the physician or other health care professional shall be communicated to the provider and the enrollee pursuant to subdivision (h).

(f) The criteria or guidelines used by the health care service plan to determine whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall be consistent with clinical principles and processes. These criteria and guidelines shall be developed pursuant to the requirements of Section 1363.5.

(g) If the health care service plan requests medical information from providers in order to determine whether to approve, modify, or deny requests for authorization, the plan shall request only the information reasonably necessary to make the determination.

(h) In determining whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with the provision of health care (i) A health care service plan subject to this section shall maintain telephone access for providers to request authorization for health care services to enrollees, based in whole or in part on medical necessity, a health care service plan subject to this section shall meet the following requirements:

(1) Decisions to approve, modify, or deny, based on medical necessity, requests by providers prior to, or concurrent with the provision of health care services to enrollees that do not meet the requirements for the time period for review required by paragraph (2), shall be made in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed five business days from the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. In cases where the review is retrospective, the decision shall be communicated to the individual who received services, or to the individual's designee, within 30 days of the receipt of information that is reasonably necessary to make this determination, and shall be communicated to the provider in a manner that is consistent with current law. For purposes of this section, retrospective reviews shall be for care rendered on or after January 1, 2000.

(2) When the enrollee's condition is such that the enrollee faces an imminent and serious threat to his or her health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal timeframe for the decisionmaking process, as described in paragraph (1), would be detrimental to the enrollee's life or health or could jeopardize the enrollee's ability to regain maximum function, decisions to approve, modify, or deny requests by providers prior to, or concurrent with, the provision of health care services to enrollees, shall be made in a timely fashion appropriate for the

VISION TAG

nature of the enrollee's condition, not to exceed 72 hours or, if shorter, the period of time required under Section 2719 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-19) and any subsequent rules or regulations issued thereunder, after the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. Nothing in this section shall be construed to alter the requirements of subdivision (b) of Section 1371.4. Notwithstanding Section 1371.4, the requirements of this division shall be applicable to all health plans and other entities conducting utilization review or utilization management.

(3) Decisions to approve, modify, or deny requests by providers for authorization prior to, or concurrent with, the provision of health care services to enrollees shall be communicated to the requesting provider within 24 hours of the decision. Except for concurrent review decisions pertaining to care that is underway, which shall be communicated to the enrollee's treating provider within 24 hours, decisions resulting in denial, delay, or modification of all or part of the requested health care service shall be communicated to the enrollee in writing within two business days of the decision. In the case of concurrent review, care shall not be discontinued until the enrollee's treating provider has been notified of the plan's decision and a care plan has been agreed upon by the treating provider that is appropriate for the medical needs of that patient.

(4) Communications regarding decisions to approve requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall specify the specific health care service approved. Responses regarding decisions to deny, delay, or modify health care services requested by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall be communicated to the enrollee in writing, and to providers initially by telephone or facsimile, except with regard to decisions rendered retrospectively, and then in writing, and shall include a clear and concise explanation of the reasons for the plan's decision, a description of the criteria or guidelines used, and the clinical reasons for the decisions regarding medical necessity. Any written communication to a physician or other health care provider of a denial, delay, or modification of a request shall include the name and telephone number of the health care professional responsible for the denial, delay, or modification. The telephone number provided shall be a direct number or an extension, to allow the physician or health care provider easily to contact the professional responsible for the denial, delay, or modification. Responses shall also include information as to how the enrollee may file a grievance with the plan pursuant to Section 1368, and in the case of Medi-Cal enrollees, shall explain how to request an administrative hearing and aid paid pending under Sections 51014.1 and 51014.2 of Title 22 of the California Code of Regulations.

(5) If the health care service plan cannot make a decision to approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2) because the plan is not in receipt of all of the information reasonably necessary and requested, or because the plan requires consultation by an expert reviewer, or because the plan has asked that an additional examination or test be performed upon the enrollee, provided the examination or test is reasonable and consistent with good medical practice, the plan shall, immediately upon the expiration of the timeframe specified in paragraph (1) or (2) or as soon as the plan becomes aware that it will not

VISION TAG

meet the timeframe, whichever occurs first, notify the provider and the enrollee, in writing, that the plan cannot make a decision to approve, modify, or deny the request for authorization within the required timeframe, and specify the information requested but not received, or the expert reviewer to be consulted, or the additional examinations or tests required. The plan shall also notify the provider and enrollee of the anticipated date on which a decision may be rendered. Upon receipt of all information reasonably necessary and requested by the plan, the plan shall approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2), whichever applies.

(6) If the director determines that a health care service plan has failed to meet any of the timeframes in this section, or has failed to meet any other requirement of this section, the director may assess, by order, administrative penalties for each failure. A proceeding for the issuance of an order assessing administrative penalties shall be subject to appropriate notice to, and an opportunity for a hearing with regard to, the person affected, in accordance with subdivision (a) of Section 1397. The administrative penalties shall not be deemed an exclusive remedy for the director. These penalties shall be paid to the Managed Care Administrative Fines and Penalties Fund and shall be used for the purposes specified in Section 1341.45.

(i) A health care service plan subject to this section shall maintain telephone access for providers to request authorization for health care services.

(j) A health care service plan subject to this section that reviews requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall establish, as part of the quality assurance program required by Section 1370, a process by which the plan's compliance with this section is assessed and evaluated. The process shall include provisions for evaluation of complaints, assessment of trends, implementation of actions to correct identified problems, mechanisms to communicate actions and results to the appropriate health plan employees and contracting providers, and provisions for evaluation of any corrective action plan and measurements of performance.

(k) The director shall review a health care service plan's compliance with this section as part of its periodic onsite medical survey of each plan undertaken pursuant to Section 1380, and shall include a discussion of compliance with this section as part of its report issued pursuant to that section.

(l) This section shall not apply to decisions made for the care or treatment of the sick who depend upon prayer or spiritual means for healing in the practice of religion as set forth in subdivision (a) of Section 1270.

(m) Nothing in this section shall cause a health care service plan to be defined as a health care provider for purposes of any provision of law, including, but not limited to, Section 6146 of the Business and Professions Code, Sections 3333.1 and 3333.2 of the Civil Code, and Sections 340.5, 364, 425.13, 667.7, and 1295 of the Code of Civil Procedure.

VISION TAG

CA Health and Safety Code section 1374.30(i)

(i) Every health care service plan shall prominently display in every plan member handbook or relevant informational brochure, in every plan contract, on enrollee evidence of coverage forms, on copies of plan procedures for resolving grievances, on letters of denials issued by either the plan or its contracting organization, on the grievance forms required under Section 1368, and on all written responses to grievances, information concerning the right of an enrollee to request an independent medical review in cases where the enrollee believes that health care services have been improperly denied, modified, or delayed by the plan, or by one of its contracting providers.

28 CCR 1300.70(a)(1) and (b)(2)(G)(5)

(a) Intent and Regulatory Purpose.

(1) The QA program must be directed by providers and must document that the quality of care provided is being reviewed, that problems are being identified, that effective action is taken to improve care where deficiencies are identified, and that follow-up is planned where indicated.

(b) Quality Assurance Program Structure and Requirements.

...

(2) Program Requirements.

In order to meet these obligations each plan's QA program shall meet all of the following requirements:

...

(G) Medical groups or other provider entities may have active quality assurance programs which the plan may use. In all instances, however, the plan must retain responsibility for reviewing the overall quality of care delivered to plan enrollees.

...

(5) Ensure that for each provider the quality assurance/utilization review mechanism will encompass provider referral and specialist care patterns of practice, including an assessment of timely access to specialists, ancillary support services, and appropriate preventive health services based on reasonable standards established by the plan and/or delegated providers.
